

Join your fellow members at the  
March 2008 Program:  
*“Interpreters in Health Care -  
New Code of Ethics and Standards of Practice”*

CHICATA will host a panel discussion featuring  
Cristina Villanueva, Paola Velasquez and Cecilia Dávila  
Covering the following topics:

- New Code of ethics and standards of practice
- The implications that they may have for the interpreters, possible effects on the market and on the profession.
- Practical applications of the principles and focus on these principles, from the perspective of the independent professional interpreters.
